

Come to Fiona's Wedding

Jim MacLeod

Come to the isle of Turnabay
Come let us dance till break of day
Dance while the fiddlers brightly play
Come to Fionaâ€™s wedding

Callling me home my peace awhile
Luring my steps, Fionaâ€™s smile
Come let us haste and sing awhile
Haste to Fionaâ€™s wedding

Come to the isle of Turnabay
Come let us dance till break of day
Dance while the fiddlers brightly play
Dance at Fionaâ€™s wedding

Come to the isle where tons are kind
Leave all your cares and woes behind
Come where our steps forever wind
Come to Fionaâ€™s wedding

Come to the isle of Turner bay
Come let us dance till break of day
Dance while the fiddlers brightly play
Dance at Fionaâ€™s wedding

Callling me home my peace awhile
Luring my steps, Fionaâ€™s smile
Come let us haste and sing awhile
Haste to Fionaâ€™s wedding

(Instrumental of melody X2)

Come to the isle of Turnabay
Come let us dance till break of day
Dance while the fiddlers brightly play
Dance at Fionaâ€™s wedding

Dance at Fionaâ€™s wedding
