

Bobblehead

Christina Aguilera

When you talk all I hear is
Wah, wah, wah, wah, wah
Wah, wah, wah, wah, wah, wah, wah, wah
Wah, wah, wah, wah, wah
Wah, wah, wah, wah, wah, wah, wah, wah, wah, wah
When you talk all I hear is
Wah, wah, wah, wah, wah
Wah, wah, wah, wah, wah, wah, wah, wah
Wah, wah, wah, wah, wah
Wah, wah, wah, wah, wah, wah, wah, wah, wah, wah
Girls like you give girls a bad name
Trying to get a boy but you sound so lame
Thinking it's cute to act real dumb
But the jokes on you, you stupid hon
Hold up, hold up, you're making no sense
You're talking out your ass
Like a waffle head, you bobblehead
Just keep your trap shut like your mamma said
Why, oh, why pretend?
I know you got a brain, why don't you use it?
Why, oh, why pretend?
If you so smart, why you act brain dead?
When you talk all I hear is
Wah, wah, wah, wah, wah
Wah, wah, wah, wah, wah, wah, wah, wah
Wah, wah, wah, wah, wah
Wah, wah, wah, wah, wah, wah, wah, wah, wah, wah
When you talk all I hear is
Wah, wah, wah, wah, wah
Wah, wah, wah, wah, wah, wah, wah, wah
Wah, wah, wah, wah, wah
Wah, wah, wah, wah, wah, wah, wah, wah, wah, wah
But wait, like I don't get it
He, he, he, ha I don't care what you
looking at
Body so skinny but your head's so fat
Talky, talky, talky but you don't say shit
Got a way with words, you give me nothing, bitch
Banging on the door, nobody upstairs
You a nightmare on Elm Street got everybody scared
Making me wanna run when you coming around
Because you're ugly, it's a frightening sound
Why, oh, why pretend?
I know you got a brain, why don't you use it?
Why, oh, why pretend?
If you so smart, why you act brain dead?
When you talk all I hear is
Wah, wah, wah, wah, wah
Wah, wah, wah, wah, wah, wah, wah, wah
Wah, wah, wah, wah, wah

Wah, wah, wah, wah, wah, wah, wah, wah When you talk all I hear is
 Wah, wah, wah, wah, wah
 Wah, wah, wah, wah, wah, wah, wah, wah
 Wah, wah, wah, wah, wah
 Wah, wah, wah, wah, wah, wah, wah, wah But wait, like, like what, like, like what?
 I don't get it, like what, what, really? Hanging with the girls makes you feel unsure
 So you hang with the boys, makes you feel secure
 Act all caddy 'cause you hate competition
 Rather like a sheep on your airhead mission Laugh in your face but behind your back
 They say, "I kinda like her booty but the girl is whack"
 You see the boys, the boys they love me
 Think you're a pain in your butt? Know what? You're crazy Why, oh, why pretend?
 I know you got a brain, why don't you use it?
 Why, oh, why pretend?
 If you so smart, why you act brain dead? When you talk all I hear is
 Wah, wah, wah, wah, wah
 Wah, wah, wah, wah, wah, wah, wah, wah
 Wah, wah, wah, wah, wah
 Wah, wah, wah, wah, wah, wah, wah, wah When you talk all I hear is
 Wah, wah, wah, wah, wah
 Wah, wah, wah, wah, wah, wah, wah, wah
 Wah, wah, wah, wah, wah
 Wah, wah, wah, wah, wah, wah, wah, wah When you talk all I hear is
 Wah, wah, wah, wah, wah
 Wah, wah, wah, wah, wah, wah, wah, wah
 Wah, wah, wah, wah, wah
 Wah, wah, wah, wah, wah, wah, wah, wah And the real girls say
 I never play dumb to get what I want
 And always come out the one, that's on top
 I never play dumb to get what I want
 And always come out the one, that's on top I never play dumb to get what I want
 And always come out the one, that's on top
 I never play dumb to get what I want
 And always come out the one, that's on top I don't get it
