

Nightcall (CSG Remix ft Valerie Allington)

[Kavinsky](#)

There's something inside you
It's hard to explain
They're talking about you boy
But you're still the same
There's something inside you
It's hard to explain
They're talking about you boy
But you're still the same
There's something inside you
It's hard to explain
They're talking about you boy
But you're still the same
There's something inside you
It's hard to explain
They're talking about you boy
But you're still the same
There's something inside you
It's hard to explain
There's something inside you
It's hard to explain
There's something inside you
It's hard to explain
There's something inside you
It's hard to explain
There's something inside you
It's hard to explain
There's something inside you
It's hard to explain
They're talking about you boy
But you're still the same
There's something inside you
It's hard to explain
They're talking about you boy
But you're still the same
