

Send Me Down

HAIM; Alana Haim; Este Haim; Danielle Haim

You came back
Back into my arms
Like a heart attack-tack
With your certain charms
Coming right through my eyes
Over my body, a hand on my thigh
And I wanna make nice
Now that you're back to me
And I wanna do right by you
With my whole being
C'mon baby, while I was star-gazing
You were with the other one
But now Cover your eyes, do I feel right darling?
Remember, want to make this right
Now that you're mine, do right by me
Baby, wanna feel you cross the line!
So send me down
Ooooh ooh eeh oh
I wanna push you around
Ooooh oh eh oh
Gonna send me down
Ooooh oh oh ye oh
I wanna push you around
Ooooh oh oh oh Back then, back when I could see
You were my only friend
I was too scared that
I couldn't let you in
Like a gambler
Only playing to win Cover your eyes, do I feel right
Remember, want to make this right
Now that you're mine, do right by me
Baby, wanna feel you cross the line!
So send me down
Ooooh ooh eeh oh
I wanna push you around
Ooooh oh eh oh
Send me down
Ooooh oh oh ye oh
I wanna push you around

Ooooh oh oh oh No, no enough is enough
If you're willing too
Because you're right for me
No, no enough is enough
If you're willing too
Because you're right for me
No, no enough is enough
If you're willing too
Because you're right for me I don't wanna run
Back to the way we were
I don't wanna run
Back to the way we were Send me down
Oh ooh oh oh ye oh
I wanna push you around
Ooh oh oh ey oh
Send me down
Oh ooh oh oh ye oh
I wanna push you around
Ooh oh oh ey oh
So, send me down!
Oh ooh oh oh ye oh
I wanna push you around
Ooh oh oh ey oh
