[Verse 2]

She came here with you and left with me

It's all about the game, this ain't destiny

I know you real, but I'm realer

Certified West Coast kitty-kat killa

Yeah I kill that cat, that's why she feel like that

Ain't no trickin' mane, I still got stacks

Ask any body I'm a real-ass mac  
And suckas like you gotta peel off racks and give her that  
But don't come too quick, coz when I hit  
I give a bitch long dick  
Fuck with me that's all she gon get  
I keep grinding and I don't quit  
Bitch![Eric Bellinger
