

# I Wish I Had A Dollar

## Uncle Kracker

I wish I had a dollar for all the times somebody told me  
Everything's gonna be alright  
I wish I had a dollar for all the times somebody told me  
Everything's gonna be alright I've been lost in Boston, Austin, Texas is always sweet  
I stumbled around that Texas town but I never left Sixth Street  
(Never left Sixth Street)  
You know it's always hard to keep my feet from tryin' to run away  
And it seems I spent a lifetime tryin' to make everything okay I wanna go down to see her, she's my little queen  
I wanna go down to tell her, she means the world to me  
I wish I was down to watch her play that tambourine  
She always brought a smile to me, I'd do anything I wish I had a dollar for all the times somebody told me  
Everything's gonna be alright I wish sometimes that I could say she never told me so  
(Never told me so)  
And I'd walk a million miles on down the same old broken road  
Now you can always reap just what you sow I know that's true  
(True)  
And I pray some day that I wake and my poor feet won't fit these shoes I wanna go down to see her, she's my  
little queen  
I wanna go down to tell her, she means the world to me  
I wish I was down to watch her play that tambourine  
She always brought a smile to me, I'd do anything I wish I had a dollar for all the times somebody told me  
Everything's gonna be alright If I listened closely I can hear it oh so clear  
(Clear)  
Like a south bound train, like fallin' rain, like a whisper in my ear  
(Whisper in my ear)  
Everything I'd like to hear you know I don't hear much no more  
But I know someday that you'll come my way  
And you'll walk right through that door I wanna go down to see her, she's my little queen  
I wanna go down to tell her, she means the world to me  
I wish I was down to watch her play that tambourine  
She always brought a smile to me, I'd do anything I wish I had a dollar for all the times somebody told me  
Everything's gonna be alright  
(Everything's gonna be alright) I wish I had a dollar for all the times somebody told me  
Everything's gonna be alright  
(Everything's gonna be alright)
