

# Friday Night (Personal Hype) (Bee Edit)

## Eric Paslay

I don't wanna be your Monday morning heading back to work  
Stuck in traffic going slow, nothing on the radio  
I don't wanna be another chore to check off on your list  
Of things you gotta do and places that you gotta go, oh no I wanna be your Friday night sweet ride  
Summertime sunshine barefoot in the moonlight  
I wanna be your jackpot hot spot  
Wide open road in a candy apple rag top  
I wanna set you free, I wanna take you high  
I wanna be, wanna be your Friday night  
Oh your Friday night We can rock together, let the good times roll forever  
Fill up our cup make a memory, drink it up  
I don't wanna miss another minute, wanna live it with you  
Beneath the blue sky fallin' in love I wanna be your Friday night sweet ride  
Summertime sunshine barefoot in the moonlight  
I wanna be your jackpot hot spot  
Wide open road in a candy apple rag top  
I wanna set you free, I wanna take you high  
I wanna be, wanna be your Friday night  
Oh Friday night I wanna be your lemonade in the shade  
Money in your pocket cause you just got paid babe I wanna be your Friday night sweet ride  
Summertime sunshine barefoot in the moonlight  
I wanna be your jackpot hot spot  
Wide open road in a candy apple rag top  
I wanna set you free, I wanna take you high  
I wanna be, wanna be your Friday night  
Oh your Friday night  
Hey, your Friday night  
Hey, your Friday night  
Your Friday night
