

# Dreamcatcher

## Wolfskin

Dreams are inside our heads  
and we are afraid of nightmares  
But real life can become a nightmare  
And we are the only ones...Who can protect it  
We're our dreams.  
We are our dream-catchersFight for your life  
We are not slaves  
We are not alone  
Fight for your life  
We are behind you...  
Believe in yourselfThis is our war  
This is our war!  
Go! face all your fears  
Don't let them drown you  
in mediocrity.  
Are you afraid?  
Sirens are singing to make you sleep  
Don't fall asleep!Life can turn hard  
But it will never be enough  
Cause our reason to live  
is to fight the adversitiesWe all have dreams let's make them real  
We are our dreams, our dream-catchers!Go! Find the strength  
Don't let us die into oblivion  
Don't let us die into oblivion...  
Show that your effort wasn't in vain  
in vain!  
Life can turn hard  
But it will never be enough  
Cause our reason to live  
is to fight the adversitiesWe are not done yet (Not done yet)  
We are not done yet (Not done yet)  
You still alive  
Let us know that you'll keep  
Let us know that you'll follow your dreams  
Cause dreams are the elixir of life...Let us know  
that you'll follow your dreams  
Cause dreams are the elixir of life  
Let us know  
that you'll follow your dreams

Cause dreams are the elixir of life
