Name Above All Names

Open Heaven

Chorus
Worthy, wonderful
Jesus, Name above all names
Faithful Father
No other Name above you nameVerse 1
I'm caught up in the fury of
Your passionate relentless love
My words could never say enough
Jesus I am overcomeVerse 2
Your love washes my fear away
And I can only stand amazed
Here before You face to face
My life's pursuit, to sing Your praiseBridge:
Jesus, Jesus, Jesus
There's just something about that name
Master, Savior, Jesus
There's just something about Your name
