

# Lonely Again (Re-Recorded In Stereo)

[Eddy Arnold](#)

You told me that others before you  
Were foolish to cause me to cry  
And just when I learned to adore you  
You kissed one more dream goodbyeAnd left me lonely again  
Just like you found me  
Lonely again  
No arms around meJust when I'm sure  
That my heart is secure  
And my tear drops are dry  
With a warm glow insideAnd this love of mine  
Till the end of the line  
That's always the time  
That I'm lonely againYou told me you wanted me only  
That this time and this love would last  
You told me I'd never be lonely  
And now you belong to the pastAnd I'm so lonely again  
Just like you found me  
Lonely again  
No arms around meJust when I'm sure  
That my heart is secure  
And my tear drops are dry  
With a warm glow insideAnd this love of mine  
Till the end of the line  
That's always the time  
That I'm lonely again
