Home Of The Brave

Big Country

Yeah, it's going all the way down
Aquemeni records, Killer Mike, Slimm Calhoun
Just because your wearing a Braves' jersey
Doesn't mean we on the same team you playin' on bitch
Cool and Dre on the track, run it
Since last heard I'm still Randy Moss
And I still catch a beat runnin' when it's tossed
And often light green kiss my ass to coffin
Cut the bull in Harlem on sloughths and
Cut the bull then I'm seven deuce Impala whore dance
Ambidexterious juggle pretty girls and they friendly fifty friends
Hit Jamaica rollin' papers turning up spotta Benz
City corners I've been in a deuce double O three Benz
I'm sittin' on those dubs twins
I'm from the city where kiddies ride on dope rims
It's where niggaz snap shot and they ain't takin' pictures mista
I'm well equipped to hit ya', same birthday as Hitler, I'll getcha
Hey we rep that A
A T L A N T A state of G A

I got a Tahoe and a Tahoe
She work out fit like Taebo
Get my findy Air Force Ones
Shit wait I'm so old
Last one to Louie Fitoine skins on my timbo's
Gettin' blown in a limo, that's my MO
Roll next presidential, get a pistol to your temple
I'll let it faint, leave your brain lingering in limbo
Southern fried that's how I ride, creed on simple
Kill 'em all let God separate good from evil
You fagots do it for glory
Y'all's just do it for my people

I'm grand national built beautiful and legal

A town down Braves started cap from the land of the made
Ain't no hard atrap after debts of the dungeon
We livin' artifacts where niggaz rip chickens
Talk bricks, keep an artist strapped
Flame throwers got us hot in the spot
Wreckin' these dog tails through red dog stripe
It's like all hell, block cells, make bail and it's back
To these crooks and cakes jumpin' at next cell
What you know about the way the whales
Kiss it your body scaled
I'm 'bout to hit by the box of tens through the mail
Then reply beaten twelve sickness spinnin' on twenty-ones
We produce many guns, we spittin' at anyones
Disrespect my little bows
And I'll cock and explode up
Take me to the grave, grave, home of the brave
Hey we rep that A
A T L A N T A state of G A

Home of the brave G A G A

So slums, so sleigh, nigga I'm straight ducked
You can ask my baby's mother she'll tell you niggaz shit
He the type to fuck a bitch

And I'm the type to rip ya bitch leave the shit up
Under your covers from[Incomprehensible] blessing from sin
New recrutes we in it again, rap so hard we flippin' again
Walkin' dubs on the Benz

One, two, crack fiend
Three on boys street jeans
Four full blown hit the scene
Five like trap [Incomprehensible]
Like a thick hoe in sassy jeans
Rub her right she'll cream
Fuck her right moan and scream
Killer kill out on [Incomprehensible]
Swervin', servin', bouncin' the buttons
Like 5 5 9 truck somethin'
Two glock nines round dumpin'
Round my hip strap ain't jumpin'
Keep my bitch dunkin' somethin'
Be outlawed bangin' 'em down for bustin'
Yeah, yeah, yeah, yeah
