

# Love Me or Leave Me Alone

Trisha Yearwood

I think you do, then I think you don't  
Maybe you will, maybe then you won't  
Don't understand baby why you can  
Just call it quits if you can't commit I know what I want, only how I feel but  
I don't want your love if it ain't real no  
I think it's time you made up your mind  
Baby what's your plan, I need to understand if You're gonna love me or leave me  
Don't say that you need me  
Not if you really wanna let me go  
You don't know how much it hurts me  
Show me some mercy  
Baby, just love me or leave me alone You needed time, so I gave you that  
To figure out where your heart is at  
What do you say, do you go or stay  
Is it no or yes, I shouldn't have to guess if You're gonna love me or leave me  
Don't say that you need me  
Not if you really wanna let me go  
You don't know how much it hurts me  
Show me some mercy  
Baby, just love me or leave me alone You're gonna love me or leave me  
Don't say that you need me  
Not if you really wanna let me go  
You don't know how much it hurts me  
Show me some mercy  
Baby, just love me or leave me alone  
Yeah
