

# Slow Train Comin'

## Pinmonkey

From the moment I first saw you  
I knew I should turn and run  
But I can't seem to stop cravin'  
The tremble from your touch And I don't know how it happened  
But it happened just the same  
That bitter sweet addiction  
Keeps rushin' through my brain  
The wheels are in motion  
Time feels frozen I can hear it rollin', Lord, I know  
There's a heartache closin' in on me  
My heart's tied down to these tracks now  
I can't seem to break it free  
Baby your sweet lovin'  
Is like a slow train comin' It's a constant contradiction  
I can't go and I can't stay  
It's a no win situation  
It's gonna hurt me either way  
I can see the end in sight  
But I'll just close my eyes I can hear it rollin', Lord, I know  
There's a heartache closin' in on me  
My heart's tied down to these tracks now  
I can't seem to break it free  
Baby your sweet lovin'  
Is like a slow train comin' You think by now  
That I'd learned my lesson  
But it feels so right  
That I keep forgettin' I can hear it rollin', Lord, I know  
There's a heartache closin' in on me  
My heart's tied down to these tracks now  
I can't seem to break it free  
Baby your sweet lovin'  
Baby your sweet lovin'  
Baby your sweet lovin'  
Is like a slow train comin'
