

Bangkok Rain

The Cult

Black night baby
Past the midnight hour, yea
All around me, all around me, all around me
Butterfly women singin'
No time for trouble
A time of joy
I'm far from home
Don't care no more
Fallin' down
The Bangkok rain keeps fallin' down
Bangkok rain keeps on fallin' down
Bangkok rain keeps on fallin' down
I love that sound
Sittin' in a bar in Bangkok
Waitin' for the rain to stop
All around me, butterfly women talkin'
Just talkin' and singin'
No time for trouble
A time for joy now
I don't care no more
I don't care no more
Fallin' down
The Bangkok rain keeps on fallin' down
Bangkok rain keeps on fallin' down
Bangkok rain keeps on fallin' down
Down on the ground, yea, auh
No time for trouble
It's a time for joy
I don't care no more
I'm too far from home
Fallin' down
Bangkok rain keep on fallin' down
Bangkok rain keeps on fallin' down
Bangkok rain keeps on fallin' down
Down on the ground, yea
And I'm a free spirit
A traveling man
Round the world I like to lurk
The rain comin' down

In a Bangkok town
A heart is in my mouth
Baby, won't you please take me home?
I ain't got nowhere to go
 No trouble
 Freaky city
 Freaky city
 Freak city
 Freak city
 Freak city
 Freak city
 Freak city
 Freaky city
Ta, ta, ta, ta, ta, ta, ta
 Ta, ta, ta, ta
 Sing loudly
Baby oh baby
 Sing it loud
 Ooh
