

Dead And Gone (Ft. Justin Timberlake)

T.I.

Ooh, I've been travelin' on this road too long
Just trying to find, my way back home
The old me, is dead and gone, dead and gone
And ooh, I've been travelin' on this road too long
Just trying to find, my way back home
The old me, is dead and gone, dead and gone
Ever had one of dem days, you wish woulda' stayed home
Run into a group of niggas, getting they hate on
You walk by, they get wrong you reply
Then shit get blown
Way outta proportion, way past discussion
Just you against them, pick one then rush 'em
Figure you'll get your head ?
That next, they don't wanna stop
There now they bussin', now you gushin', ambulance
Rushin' you to the hospital, with a bad concussion
Plus ya hit four times, plus it hit ya
Spine paralyzed waist down, now ya wheel chair bound
Never mind that now, you lucky to be alive
Just think it all started you, fussin' with three guys
Now ya pride in the way, but ya pride is the way you
Could fuck around, get shot die any day
Niggas die, every day all over
Bull shit dope money dice, game ordinary hood shit
Could this be, 'cause of hip hop music
Or did the ones, with the good sense
Not use it, usually niggas
Don't know what to do, when their back against the wall
So they just start shootin'
For red or for blue or for blo' I guess
From Bankhead or from your projects
No more stress, now I'm straight
Now I get it now I take time to think
Before I make mistakes, just for my family's sake
That part of me left yesterday, the heart of me is strong today
No regrets I'm blessed to say, the old me dead and gone away
Ooh, I've been travelin' on this road too long
Just trying to find, my way back home
The old me, is dead and gone, dead and gone
And ooh, I've been travelin' on this road too long
Just trying to find, my way back home

The old me, is dead and gone, dead and gone I ain't never been scared, I live through tragedy

Situation coulda been dead, lookin' back at it

Most of that shit, didn't even have to happen

But you don't think about it, when you out there trappin'

In apartments hangin', smokin' and rappin'

Niggas start shit didn't, next thing ya know we cappin'

Get locked up, then didn't even get mad

Now think about damn, what a life I had

Most of that shit, look back just laugh

Some shit, still look back just sad

Maybe my homeboy, 'till be around

Had I not, hit the nigga

In the mouth that time, I won that fight, I lost that war

I can still see my nigga, walkin' out that door

Who'da thought I'd never see, Philant no more

Got enough dead homies, I don't want no more

Cost a nigga his job, cost me more

Ida took that ass-whoopin', now for sure

Now think before I risk my life

Take them chances to get my stripe

A nigga put his hands on me alright

Otherwise stand there, talk shit all night

'Cause I hit you, you sue me

I shoot you, get locked up, who me?

No more stress, now I'm straight

Now I get it now I take

Time to think, before I make mistakes

Just for my family's sake

That part of me left yesterday

The heart of me is strong today

No regrets I'm blessed to say

The old me dead and gone away Ooh, I've been travelin' on this road too long

Just trying to find, my way back home

The old me, is dead and gone, dead and gone

And ooh, I've been travelin' on this road too long

Just trying to find, my way back home

The old me, is dead and gone, dead and gone I turn my head to the east

I don't see nobody by my side

I turn my head to the west

Still nobody in sight

So I turn my head to the north

Swallow that pill

That they call pride

The old me is dead and gone

But the new me will be alright

I turn my head to the east
I don't see nobody by my side
I turn my head to the west
Still nobody in sight
So I turn my head to the north
Swallow that pill
That they call pride
The old me is dead and gone,
But the new me will be alright Ooh, I've been travelin' on this road too long
Just trying to find, my way back home
The old me, is dead and gone, dead and gone
And ooh, I've been travelin' on this road too long
Just trying to find, my way back home
The old me, is dead and gone, dead and gone
