

# Avalon

Nat "King" Cole

I've found my love in Avalon beside the bay  
I left my love in Avalon and sailed away  
I dream of him in Avalon from dusk 'til dawn  
And so I think I'll travel on to Avalon  
Yes, I've found my love in Avalon beside the bay  
I left my love in Avalon and sailed away  
Oh, I, I dream of him in Avalon from dusk until dawn  
And so I think I'll travel on to Avalon, yeah
