Sugar Cane

Jeff Beck Group

I love you, love you like sugar cane
I, I love you like sugar cane
Strip it down, sure is sweet
You keep on chewin' till you're dead on your feetI, I get high on your sugar cane
It's the only thing baby, that keeps me sane
It's so nice to have you near
Someone so close and so dearI, I love you like sugar cane
I love you like sugar cane
Strip it down, sure is sweet
You keep on chewin' till you're dead on your feetHey baby, don't go away
That's the only thing I really, I really want to hear you say
If you leave I could not stand the pain
Give me more of that sweet, sweet sugar caneI, I love you like sugar cane
I love you like sugar caneI, I get high on your sugar cane
It's the only thing baby, that keeps me sane
It's so nice to have you near
Someone so close and so dearOh, baby, baby, baby, baby, baby, yeah
(Sweet, sweet, sweet, sweet)
I get high, get high, get high, get high
(Sweet, sweet)
On your sweet, on your sweet, on your sweet, sweet sugar cane, yeah
(Sweet, sweet, sweet, sweet)Sweet, sweet sugar cane
(Sweet, sweet)
Oh, oh, no, no, no
(Sweet, sweet)
