

Brooklyn

M.O.P.

You know what this shit means man (what?)
You know what this means for M.O.P. shit to pop?
You know what it means for Brooklyn?
For New York? For the fuckin streets?
For niggas that ain't got nothin
From shit to sugar! My nigga
No compromise (at all) no changin (nope never)
M.O.P. is the streets - we ARE Brooklyn! (Salute)
Bushwick, Bed-Stuy, Crown Heights, East New York
Of course the 'Ville, Coney Island, Red Hook
All downtown Brooklyn man, it's G's around here

Brooklyn! (Go 'head now) {C'MON NOW!}
Brooklyn, Brooklyn, Brooklyn, Brooklyn
Brooklyn! (Go 'head now) {C'MON NOW!}
Brooklyn, Brooklyn, Brooklyn, Brooklyn
Brooklyn! (Go 'head now) {C'MON NOW!}
Brooklyn, Brooklyn, Brooklyn, Brooklyn
Brooklyn! (Go 'head now) {C'MON NOW!}
Brooklyn, Brooklyn, Brooklyn, Brooklyn

Geah! Since these niggas don't take the day off
Your bullshit may not pay off
I'mma give you a guide on when you can ride
And which blocks you should stay off
Which projects you should go around
With or without a pound
(If these niggas catch you on they grounds)
They gon' lay yo' ass down

Now I ain't tryin to play you like a pawn and choose your every move
(We ain't sayin you a bitch either) but dude let's keep it cool
Keep your heater, it's nippy out, even when you see the sun
Don't be flashin your ones, bumpin your gums or fixin your gun
In East New York (East New York nigga) them niggas keep it rockin
Them Coney Island niggas is wild, they smile when they be poppin
My God, them Fort Greene niggas is beyond hard
They brick, I mean they sick, and they roll thick
Man there's blocks in Crown Heights, that ain't even got lights

It's dark, AND YOU DON'T WANNA GET CAUGHT UP IN ALBANY PARK NOW DO YA?

There's sparks down on Nostrand, there's sparks down on Kingston
Come anywhere near the 'Ville, I don't know what the fuck you thinkin
This is

Brooklyn! (Go 'head now) {C'MON NOW!}
Brooklyn, Brooklyn, Brooklyn, Brooklyn
Brooklyn! (Go 'head now) {C'MON NOW!}
Brooklyn, Brooklyn, Brooklyn, Brooklyn
Brooklyn! (Go 'head now) {C'MON NOW!}
Brooklyn, Brooklyn, Brooklyn, Brooklyn
Brooklyn! (Go 'head now) {C'MON NOW!}
Brooklyn, Brooklyn, Brooklyn, Brooklyn

Nigga just cock the burner, nigga just pop the burner
Nigga got ROCKED with the burner, it's a dirty game of murder
Get caught up at the ropes - nigga it's over
You a lucky nigga if yo' ass, ever even get a chance, to come out a coma
A lot of my dawgs around here, got a college education
And, they ain't get it from Penn State (NOPE) they got it from the state pen
It's veterans to rookies, niggas that pop off, and niggas that's pussy
But believe me dawg it ring off 'round here
Now I'm from (BROOKLYN) and I'm soldier, I'm sinister
Every day of my life is a like a movie Marxmen cinema
I'm from where them niggas be squeezin, where your man got killed at
Back in the day cause he ain't wanna come the fuck up off the cheapskate
And I know it ain't shit out here, but believe me I'm still out here
Man the niggas done seen me and asked what the fuck I'm doin out here

Brooklyn, Brooklyn, Brooklyn, Brooklyn
Brooklyn! (Go 'head now) {C'MON NOW!}
