# This Strange Effect

## Bill Wyman

You've got this strange effect on me
And I like it
You've got this strange effect on me
And I like itYou make this world seem right
You make my darkness bright, oh yes
You've got this strange effect on me
And I like it, and I like itAnd I like the way you kiss me
Don't know if I should
But this feeling, it's love and I know it
That's why I feel goodAnd I like it, and I like itYou make this world seem right
You make my darkness bright, oh yes
You've got this strange effect on me
And I like it, and I like itYou make my world seem right
You make this darkness bright, oh yes
You've got this strange effect on me
And I like it, and I like itAnd I like it, and I like it
