

Circle

Blood Stands Still

Circle encircles the earth
Chance and choice break his heart
 His innocent arm moves
 To save me and I am spared
 His beautiful arm is bloody and cut off
 His heart ripped out to show me he loved me
 But I would'nt believe him
He did all that he could, I still would not believe him
 I left his arms empty and tied
 Outstretched for me until he died
 I left his arms empty and tied
 Outstretched for me until he died
 No man shows greater love
Than when a man lays down his life for his beloved
 I left his arms empty and tied
 Outstretched for me until he died
 I left his arms empty and tied
 Outstretched for me until he died
 And here I'm alive
 And I don't have the right
He gave me the right costing him his life
 New mercy's in the morning
 I believe, what if I believe you now?
 Could it ever change this?
 Forgive me, don't leave me
 And please come back to life
I believe, what if I believe you now?
 Could it ever change this?
 Forgive me, don't leave me
 And please come back to life
 Come back to my life
I believe, what if I believe you now?
 Forgive me, relieve me
 Please come back life
