

Planet Hell

Voivod

Now, is this real?
Much too realhell, planet hellmuch too realchemical weapons
burning citizensbody count risingchaos
digital combattruin and debrisdecomposed bodies
rancid, planetmuch too real
hell, planet helldeadly enemy
murderous machinescountless homicideconflict
country vs. country
social anarchy
deconstruct orderanguish, planethell, dwell, die, why?Planet in despairparalysed with fear
frequent suicidedownfall
technical abusenature in decaynuclear demise
outrageHell, dwell, die, why?
Hell, dwell, die...
