

# Are You Happy

## Drop Dead, Gorgeous

Are you happy? you got what you wanted  
I'm lucky, i'm here with my someone  
my everything. you'll bleed to death on me  
you're a ten when you are lying next to me

heavy breathing  
are you happy? you got what you wanted  
you're winter, i left you for summer  
my everything, you'll bleed to death on me
