

# The Waltz

Kaci Brown

The touch, the rush, oh  
The touch, the rush, oh  
The touch, the rush, oh You turn around and make we wanna make you think I'm in to you  
An easy catch, the perfect guy with perfect lines, it's nothing new  
I guess I'll let you have a little taste 'cause I have nothing here to lose  
And if nothing's better than this then I guess that's better than nothing  
What'cha think I'll do? The more you play hard to get  
The more I think I could get in to you  
The way you dance and walk away  
I can't believe you're getting me confused You make me feel so  
You make, you make, you make  
You make me feel so  
Let's go, you know, take it slow, uh, uh You say don't worry baby  
I've got it all under control  
And I'm like, yeah right you Casanova  
I'm gonna waltz right over you You play your petty games  
And I have to admit it's sorta kinda cute  
But it won't be enough to make me fall in love  
With a shallow guy like you You're so naive if you believe  
I'd fall under your spell just 'cause you snap  
What's wrong with me could ya tell me please  
How did you ever manage to do that? You make me feel so  
You make, you make, you make  
You make me feel so  
Let's go, you know, take it slow, uh, uh The touch, the rush, oh  
The touch, the rush, oh  
The touch, the rush, oh  
The touch, the rush You make, you make, you make  
You make me feel so  
Let's go, you know, take it slow  
You make me feel so  
You make, you make, you make  
You make me feel so  
Let's go, you know, take it slow, uh, uh Dum, dum, dum, dum, dum  
Dum, dum, dum, dum, dum  
Dum, dum, dum, dum, dum  
It's like dum, dum, dum, dum, dum  
(You make me feel so)
