

# I Shall Believe

Sheryl Crow

Come to me now  
And lay your hands over me  
Even if it's a lie, say it will be alright  
And I shall believe I'm broken in two  
And I know you're on to me  
That I only come home, when I'm so all alone  
But I do believe That not everything is gonna be the way  
You think it ought to be  
It seems like every time I try to make it right  
It all comes down on me Please say, honestly  
You won't give up on me  
And I shall believe  
And I shall believe Open the door  
And show me your face tonight  
I know it's true, no one heals me like you  
And you hold the key Never again  
Would I turn away from you  
I'm so heavy tonight, but your love is alright  
And I do believe That not everything is gonna be the way  
You think it ought to be  
It seems like every time I try to make it right  
It all comes down on me Please say, honestly  
You won't give up on me  
And I shall believe  
I shall believe  
And I shall believe That not everything is gonna be the way  
You think it ought to be  
It seems like every time I try to make it right  
It all comes down on me Please say, honestly  
You won't give up on me  
And I shall believe  
I shall believe I shall believe  
I shall believe  
I shall believe  
And I shall believe Please say, honestly  
You won't give up on me  
And I shall believe  
I shall believe  
And I shall believe I shall believe

I shall believe  
I shall believe  
I shall believeI shall believe  
I shall believe  
I shall believe  
I shall believeI shall believe  
I shall believe  
I shall believe  
I shall believe
