

Right Tool For The Job

David Lee Roth

Well, i can't dance
And i can't sing
I ain't that smart
But i can lift really heavy things.
When it come to lovin'
Honey, mama,
I'm the one you want
Well, i may not be the best lookin'
But i'm the right tool for the job I love my house
I love my dog
I love my little sweetheart girl Skinny legs and all
When it comes to trouble bustin'
Mama, i'm the one you want
Well, i may not be the best lookin'
But i'm the right tool for the job
