Starting Over

Hale

You want me
You only want me when you cannot get me
You got me when you had the chance to know me
Well I don't think you knew what you wantIt makes sense
The dress you're wearing's not yet for next season
And when the right time comes I'll be the fool again
'Cause you're giving it again to meI'll be starting over
I'll be starting over
I'll be starting over right now
I'll be under cover
You'll start to discover
The mourning is overFreedom
Freedom's what you want and what you said to me
Freedom's what you get from leaving me
You left me with a hole in my wallWill I
Will I be just a bleep in your existence?
Or am I just a subject for letting you go
You're letting me go you'll come as you mayI'll be starting over
I'll be starting over
I'll be starting over right now
I'll be under cover
You'll start to discover
The mourning is overWhat comes around
What goes around
This time I won't be going downI'm going to get
going to get
going to get
going to get
going to get
going to get up
get upI'm going to get
going to get
going to get
going to get
going to get
going to get up
get upI'll be starting over
I'll be starting over
I'll be starting over right now

I'll be starting over
I'll be starting over
I'll be starting over right nowNow you're going to deal with it
Yeah, now you're going to deal with it
'Cause this is what my heart sounds like
