Looking Good, Feeling Gorgeous

Rupaul

Woke up this morning, it's a brighter day
I looked in the mirror, saw a new face
Cause I got myself together, steppin' in time
Every thing's better, this day is mine
How do I look? You look good
How do I feel? You feel good
How do I look? You look good
You're looking good and feeling gorgeous
Well, she walks real steady
In her high heel steppers
She got lots of style
She got lots of class
Yes, I'm confident and self-assured
No holdin' back, not like before
'Cause I know what I want, can't settle for less
Not tryin' to flaunt it, I just want the best
