

# Midnight Star

## Weird Al Yankovic

I was waiting in the express lane with my twelve items or less  
At the checkout counter at the local grocery store  
I was only passin' by but a paper caught my eye  
And I learned a few things I never knew before  
It said, "Your pet may be an extraterrestrial"  
It said, "The ghost of Elvis is living in my den  
You can learn to cope with stress and you can beat the IRS  
And the incredible frog boy is on the loose again"  
Oh, Midnight Star  
It's in the weekly Midnight Star  
Aliens from outer space are sleeping in my car  
Midnight Star, I wanna know, I wanna know  
Eat jelly dough nuts and lose twenty pounds a day  
Hear the story of the man born without a head  
And top psychics all agree that the telephone company  
Will have a brand new service that lets you talk to the dead  
Oh, Midnight Star  
You can believe it if you read it in the weekly Midnight Star  
They're keeping Hitler's brain alive inside a jar  
Midnight Star, I wanna know, I wanna know  
Tell me, tell me, tell me how to make my bust line grow  
Midnight Star, I wanna know  
Oh, Midnight Star, well, don't cha know that I read it  
I read it in the weekly Midnight Star  
The UFO's have landed and we'll tell you where they are  
Midnight Star, I wanna know, I wanna know  
Midnight Star  
Well, you can read all about it in the weekly Midnight Star  
You can use your ESP to learn to play guitar  
I wanna know, I wanna know, Midnight Star  
I wanna know, I wanna know, Midnight Star  
I wanna know, I wanna know, Midnight Star  
I wanna know, I wanna know, Midnight Star  
Inquiring minds like mine wanna know, Midnight Star  
I wanna know, I wanna know, Midnight Star  
I wanna know, I wanna know, Midnight Star  
I wanna know, I wanna know, Midnight Star  
I wanna know, I wanna know, Midnight Star  
I wanna know, I wanna know, Midnight Star

I wanna know, I wanna know
