Santa Rita High

Supersuckers

Santa Rita high

I'm of a generation
of insuferable freaks
and my education suffers
while my high peaks
an abomination
barely gettin' by

Santa Rita High

go ahead and berate me
and my messed up mind

Santa Rita High

but you can't escape me, no way

South of Escalante and
west of the Pantano wash
sharing left handed cigarettes
suckin down that sauce
I instigated ditch day
now I'm takin it dry

Santa Rita High

go ahead and berate me
and my messed up mind

Santa Rita High

but you can't not escape me
or mistake my kind

Santa Rita High

hangin out in the hallway
gettin left behind

Santa Rita High

got me feelin all right
baby give it a try

well, after blow after blow
and all your lookin down your nose
what do you want me to say,
whay can I say?
that I'll grow and I'll know
well my friends I don't think so
no ain't gonna happen that way
when I graduate caboose
and they finally cut me loose
I'm gonna ruin my life with pride

Santa Rita High

go ahead and berate me
and my messed up mind

Santa Rita High

but you can't escape me
or mistake my kind

Santa Rita High

hangin out in the hallway
getting left behind

Santa Rita High

no you can not escape me

Santa Rita High

got me feelin all right
baby give it a try
