

# She's Beautiful

## Double You

### Chorus I

Tell me baby what are we going to do  
tell me baby what are we going to say  
and everytime I try to walk away  
and everytime you want to hear me say  
I can't sleep without you I trust in your love  
I never wanted us to end this way  
and everytime it's just a game you play  
when you walk out the door oh my girl

### Chorus II

Is beautiful  
she means all the world to me  
she's beautiful  
she means all the world it's extasy

### Repeat Chorus I

And we remembered all our yesterdays  
try to give me just another day  
please don't walk out that door oh my girl

### Repeat Chorus II

She's beautiful  
she means all the world  
she's beautiful (6x)
