Rattle

Steph Macleod

Rack it, fix it, trash it, change it
No upgrade it
Charge it, find it, zoom it, dress it
It's epic work it, erase it
Ride it, get it, face it, load it
Check it quick revide it
Save it drop it zippin' zippin'
Like it feelin', girl it find it view it
Jump and lock it
Kick it update it
Send it face emWatch it dirty stuck fromRack it, fix it, trash it, change it
No upgrade it
Charge it, find it, zoom it, dress it
It's epic work it, erase it
Ride it, get it, face it, load it
By it easy no upgrade itWatch it watch it bring it fade
Watch it
Watch it watch it watch it
