

Write Me a Few of Your Lines / Kokomo Blues

Bonnie Raitt

When you get home baby
Write me a few of your lines
When you get home baby
Write me a few of your lines
That'll be consolation
Lord, honey oh, my worried mind
Left my baby
Standin' in the back door cryin'
I left my baby
Standing in the back door cryin'
I never felt so sorry
Lord honey, till he said goodbye
Kokomo me baby
Kokomo me right
Kokomo your mama
She'll be back tomorrow night
And I'd like to cry in your arms tonight
Baby, don't you wanna go?
Back to that lemon light city
Sweet home Kokomo
