

# Emergency

## Icona Pop

Advisory - the following lyrics contain explicit language:

So you wanna party? So you wanna dance?  
You better know someone, then find someone of our friends  
You wanna get higher? Shake that ass  
Spinning 'round and 'round, and 'round and 'round like that I put a little twist in my hips (Here we go)  
Kiss on my lips (Here we go)  
Ice on my wrist 'cause I'm hot and I'm dancing (Here we go)  
Caught that romancin' (Here we go)  
Cancel your plans and (Here we go)  
Girls hide your mans, 'cause I'm hot and I'm dancing (Here we go) This is emergency (Wooh ooh ooh)  
Call an ambulance, come rescue me (Wooh ooh ooh)  
Everybody in this bitch (Wooh ooh ooh)  
If you wanna get up, get down like this Hallelujah, oh mercy me  
Confess your sins and get down on your knees  
And I'll be good to you if you're good to me  
And we can go on and on and on and on  
On and on and on and on I put a little twist in my hips (Here we go)  
Kiss on my lips (Here we go)  
Ice on my wrist 'cause I'm hot and I'm dancing (Here we go)  
Caught that romancin' (Here we go)  
Cancel your plans and (Here we go)  
Girls hide your mans, 'cause I'm hot and I'm dancing (Here we go) This is emergency (Wooh ooh ooh)  
Call an ambulance, come rescue me (Wooh ooh ooh)  
Everybody in this bitch (Wooh ooh ooh)  
If you wanna get up, get down like this  
This is emergency  
Call an ambulance, come rescue me  
Everybody in this bitch  
If you wanna get up, get down like this
