I'll Be Fine

Koe Wetzel

She stands up strong despite all the hell sheâ€™s been through
And those careless deep dark eyes can tell it all
She throws a bag and bible in the back seat
While she listens to 14 miles from home
She dreams of livin life out on a mountain
And honestly that donâ€™t bother me at all
Cause I beat we can find one in deep East Texas
With a big pine trees are the only view we got
Iâ€™ll be fine
Oh baby Iâ€™ll be fine
She knows Iâ€™ll be there when stuff gets nasty
And she swears that down town Fort Worth holds it all
And sheâ€™s all i ever want
And sheâ€™ll be there when I call
Gettin all dressed up
One night on the town
Iâ€™ll be fine
Oh baby Iâ€™ll be fine
And sheâ€™s all i ever want
And sheâ€™ll be there when I call
Gettin all dressed up
One night on the town
And sheâ€™s all i ever want
And sheâ€™ll be there when I call
Gettin all dressed up
One night on the town
Iâ€™ll be fine
Oh baby Iâ€™ll be fine
