Heartbreaks and Earthquakes

Charli XCX

(You are about to embark on a great journey, Let the new age of light...)
Finishing late at night, tell me what's the perfect time,
Told you I'll be waiting, Hiding from the rainfall,
Come into my bedroom, Come into my bedroom,(x3)Tell me what's the joy of giving if you never please
All my last strength, against all the you believed
Come into my bedroom (x6)(?)Young as the winter, no I would never let you go
Trade in a baseball, lover has a face of snow,
Come into my bedroom (x6)Finishing 8-1-9 tell whats the perfect time (repeat)Told I'd be waiting hiding from the rainfall (repeat)Tell me whats the joy of giving if you never please (repeat)All my last strength against all that we believe (repeat)On my last strength against all that you believeMy hands are frozen in chains behind my backSo please don't swallow down my key
Let me out!Yeah!
I'm in trouble Can't stop what's coming. How can I?
How can I? How can I fix what I've fucked up?How can I fix what I've fucked up? How can I? How can I?Wish you can see me when l'm like this when my cheeks are blushing so red OhmygodI can see again (repeat)I won't scream and shout cuz I feel like I'm in hell. I'm dancing with an angel.
