

# It's Gotta Be Love

Kristinia Debarge

Gotta be love, it's gotta be love  
It's gotta be love Starin' out my window pane  
Waitin' for the phone to ring  
All I want is just to see you again  
Oowie baby, I miss you so So much that I can't sleep  
So much that I can't breath  
My heart it skips a beat  
When I think of you and me (It's gotta be love)  
Somethin' about you boy  
(It's gotta be love)  
You bring me so much joy (It's gotta be love)  
I can't wait no more  
I wanna be with you and do with you  
Everythin' you wanna do And when you're next to me  
(It's gotta be love)  
Feels like a fantasy  
(It's gotta be love)  
Oh boy, I can't believe  
It's like I died and gone to heaven Feels like I wasn't livin' 'fore I met you  
Don't think that I can go a day without you  
I spend my days plannin' to be 'round you  
(Nobody else, there's only you) No doubt this must be love  
You're all I'm thinkin' of  
It's takin' over me  
So what else could this be? (It's gotta be love)  
Somethin' about you boy  
(It's gotta be love)  
You bring me so much joy (It's gotta be love)  
I can't wait no more  
Wanna be with you and do with you  
Everythin' you wanna do And when you're next to me  
(It's gotta be love)  
Feels like a fantasy  
(It's gotta be love)  
Oh boy, I can't believe  
It's like I died and gone to heaven Always keep your picture in my bag  
Always lookin' at that photograph  
It's crazy I don't usually act like that  
Guess I must be in love Sometimes I wanna call when I know you're not home

Just to hear your voice and your sexy little tone  
What you do to me boy, you don't even know  
It's gotta be, gotta be, gotta be (It's gotta be love)  
Somethin' about you boy  
(It's gotta be love)  
You bring me so much joy (It's gotta be love)  
Oh boy, I can't believe  
I wanna be with you and do with you  
Everythin' you wanna do And when you're next to me  
(It's gotta be love)  
Feels like a fantasy  
(It's gotta be love)  
Oh boy, I can't believe  
It's like I died and gone to heaven (It's gotta be love)  
Somethin' about you boy  
(It's gotta be love)  
You bring me so much joy (It's gotta be love)  
I can't wait no more  
I wanna be with you and do with you  
Everythin' you wanna do And when you're next to me  
(It's gotta be love)  
It feels like a fantasy  
(It's gotta be love)  
Oh boy, I can't believe  
It's like I died and gone to heaven (It's gotta be love)  
Somethin' about you boy  
(It's gotta be love)  
You bring me so much joy (It's gotta be love)  
I can't wait no more  
I wanna be with you and do with you  
Everythin' you wanna do And when you're next to me  
(It's gotta be love)  
It feels like a fantasy  
(It's gotta be love)  
Oh boy, I can't believe  
It's like I died and gone to heaven
