

# Then You Can Tell Me Goodbye

Joss Stone

Kiss me each morning  
For a million years Hold me each evening  
By your side Tell me you love me  
For a million, a million years And then if it don't work out And then if it don't work out Then you can tell me  
Goodbye Sweeten my coffee  
With a morning kiss Soften my dreams  
With your sigh Tell me you love me  
For a million, a million years And then if it don't work out  
And then if it don't work out  
Then you can tell me  
Goodbye If you must go  
I won't grieve  
just wait a life-time before you leave  
Please then if you must go  
I won't Tell you "no  
Just so we can say that we tried Tell me you love me, for a million, just a million years And then if it don't work  
out  
and then if it don't work out  
Then you can tell me goodbye  
Then you can tell me... goodbye You can tell me goodbye, goodbye
