

Ben

Jennifer Love Hewitt

Ben, the two of us need to look more
We both found what we were looking for
With a friend to call my own, I'll never be alone
And you, my friend will see
You've got a friend in me you
You're not wanted anywhere
If you ever look behind and don't like what you find
There's something you should know
You've got a place to go
I use to say, I am me
Now it's us, now it's we
Ben, most people would turn you away
I don't listen to a word they say
They don't see you as I do, I wish they would try to
I'm sure they'd think again
If they had a friend like Ben
Like Ben, a friend like Ben
