

Gasolina

Boricua Boys

(Who's this?)

(Da-Ddy!)

(Yan-Kee!)unito mambapa' que mis gatas prendan los motores...

Zumbale mambo pa' que mis gatas prendan los motores...

Zumbale mambo pa' que mis gatas prendan los motores...

Que se preparen que lo que viene es pa' que le den...

(Duro!) Mami, ya yo se que tu no te me vas a quitar...

(Duro!) Lo que me gusta es que tu te dejas llevar...

(Duro!) Todos los weekend'es ella sale a vacilar..

(Duro!) Mi gata no para de janguear, porque...A ella le gusta la gasolina

(Da me mas gasolina!)

Como le encanta la gasolina

(Da me mas gasolina!)

A ella le gusta la gasolina

(Da me mas gasolina!)

Como le encanta la gasolina

(Da me mas gasolina!)Ella prende las turbinas

No discrimina

No se pierde ni un party de marquesina

Se asicala hasta pa' la esquina

Luce tan bien que hasta la sombra le combina

Asesina, me domina

Janguea en carros, motoras y limosinas

Llena su tanque de adrenalina

Cuando escucha reggaeton en las bocinasA ella le gusta la gasolina

(Da me mas gasolina!)

Como le encanta la gasolina

(Da me mas gasolina!)

A ella le gusta la gasolina

(Da me mas gasolina!)

Como le encanta la gasolina

(Da me mas gasolina!)Aqui nosotros somos los mejores, no te me ajores

En la pista nos llaman "Los Matadores"

Tu haces que cualquiera se enamore

Cuando bailas al ritmo de los tambores

Esto va pa' las gatas de to's colores

Pa' las mayores, pa' las menores

Pa' las que son mas zorras que los cazadores

Pa' las mujeres que no apagan sus motores

Tenemos tu y yo algo pendiente

Tu me debes algo y lo sabes

Conmigo ella se pierde

No le rinde cuentas a nadie

Tenemos tu y yo algo pendiente

Tu me debes algo y lo sabes

Conmigo ella se pierde

No le rinde cuentas a nadie Zumbale mambo pa' que mis gatas prendan los motores...

Zumbale mambo pa' que mis gatas prendan los motores...

Zumbale mambo pa' que mis gatas prendan los motores...

Que se preparen que lo que viene es pa' que le den...

(Duro!) Mami, ya yo se que tu no te me vas a quitar...

(Duro!) Lo que me gusta es que tu te dejas llevar...

(Duro!) Todos los weekend'es ella sale a vacilar..

(Duro!) Mi gata no para de janguear, porque...A ella le gusta la gasolina

(Da me mas gasolina!)

Como le encanta la gasolina

(Da me mas gasolina!)

A ella le gusta la gasolina

(Da me mas gasolina!)

Como le encanta la gasolina

(Da me mas gasolina!) ENGLISH: Da - ddy Yan- kee !

shake it mambo so that my cat (cat = babe) can turn on the engine,

shake it mambo so that my cat (cat = babe) can turn on the engine,

shake it mambo so that my cat (cat = babe) can turn on the engine, Get ready, because whats coming is to give it
to her, (hard!)

Mamita, I know that you aren't going to take away (hard!)

What I like is that you let yourself get taken away (hard!)

every weekend she goes out to have fun (hard!)

my cat doesn't stop hanging out because She likes gasoline (give me more gasoline!)

How she loves gasoline (give me more gasoline!) 2x The turns on the turbine

she doesn't discriminate

She doesn't even miss a fancy dress dinner

She gets dressed up even to go to the corner store

She wears things so well that even shadow favors her

assassin, she dominates me

she hangs out in cars, motorcycles, and limousines,

she fills her tank with adrenaline,

when she listens to reggaeton on the loudspeakers She likes gasoline (give me more gasoline!)

How she loves gasoline (give me more gasoline!) 2x(me!) Here, we're the best

Don't leave me

On the track they call us "the killers"

You make anyone fall in love

when you dance to the rhythm of the drums

this goes out to cats (cats = babes) of all colors

for the older ones, for the younger ones,
for those who are more foxy (foxy = player) than the hunters
for the women who never turn off their engines You and I have something coming
you owe me something and you know it
with me, she loses herself,
she doesn't surrender explanations to anyone 2x shake it mambo so that my cat (cat = babe) can turn on the
engine,
shake it mambo so that my cat (cat = babe) can turn on the engine,
shake it mambo so that my cat (cat = babe) can turn on the engine, Get ready, because what's coming is to give it
to her, (hard!)
Mamita, I know that you aren't going to take away (hard!)
What I like is that you let yourself get taken away (hard!)
every weekend she goes out to have fun (hard!)
my cat doesn't stop hanging out because She likes gasoline (give me more gasoline!)
how she loves gasoline (give me more gasoline!) 2x
