Darlin

Delegation

Darlin', you're hidin' in the closet once again
Start smilin', I know you're tryin' real hard
Not to turn your head away, pretty darlin'
Face tomorrow, tomorrow's not yesterday, yesterday
Pretty please, I know it's a drag
Wipe your eyes and put up your head
I wish you could be happy instead
There's nothing else I can do
But love you the best that I can
Yeah, yeah, yeah, yeah
Darlin', I was there once a while ago
I know that it's hard to be stuck
With people that you love
When nobody trusts
Pretty please, I know it's a drag
Wipe your eyes and put up your head
I wish you could be happy instead
There's nothing else I can do
But love you the best that I can
Yeah, yeah, yeah, yeah, that I can
And you're not the only one whose been through
I've been there alone and now so are you
I just want you to know, want you to know
It's not your fault, it's not your fault
Your fault, your fault
It's not your fault, your fault
Your fault, your fault
Pretty please, I know it's a drag
Wipe your eyes and put up your head
I wish you could be happy instead
There's nothing else I can do
But love you the best that I can
Pretty please, I know it's a drag
Wipe your eyes and put up your head
I wish you could be happy instead
There's nothing else I can do
But love you the best that I can, that I can
Darlin', you're hidin' in the closet once again
Start smilin'
