Lie Awake

Trapt

If it's not this one won't find another
'Cause it's overcoming reason and taking me under
It's controlling all of meMaybe inside, I found what I wanted maybe
Just this once I found something greater than my life
You let me see that lightLie awake inside my fears
I'll let you know they'll disappear
Find a way to crawl inside
I want let you know that I want youThe feeling that I get now when I'm around her
Isn't anything that I've felt before
It's something I can't ignoreMaybe inside, I found what I wanted
Maybe just this once I found something greater than my life
You let me see the lightI'll follow you out into fantasy
But let me know where we're coming back
I think it's time to let our bodies goI'll bring it right back to you
Fantasy reality is gone
I don't know where we are nowLie awake inside my fears they're gone
You took them right back with you
Find a way to crawl inside to find
A way to tell you that I love you
