

# Respect Yourself

Joe Cocker

If you disrespect everybody that you run into  
How in the world do you think anybody 'sposed to respect you  
If you don't give a heck about the man with the Bible in his hand  
Just get out the way and let the gentleman do his thing  
You're the kind of gentleman that wants everything their way  
Take the sheet off your face boy, it's a brand new day  
Respect yourself  
If you don't respect yourself  
Ain't nobody gonna give a good hoot, na- na- na  
Respect yourself  
Respect yourself  
If you're walking around thinking that the word owes you  
something cause you're here  
You're going out the world backwards like you did when you first came her  
You keep talking about the president won't stop air pollution  
Put your hand over your mouth when you cough that'll help the solution  
You cuss around women and you don't even know their names  
Then You're dumb enough to think that it makes you a big ol' man  
Respect yourself  
If you don't respect yourself  
Ain't nobody gonna give a good hoot, na- na- na  
Respect yourself  
Respect yourself  
Respect yourself  
Respect yourself  
Respect yourself  
Respect yourself  
Respect yourself  
Respect yourself  
Respect yourself
