

Carry Me (A Song for Kristian)

John Lodge

Make me the captain of your Pirate Ship
Paint all the clouds the color of no
Drift on the warm wind of your secret world
Hang on to your Star stream
Make the sun reappear
Make the dark disappear
From my night sky
Fly away
Fly away Carry me, carry me
Carry me, carry me Show me your island of a thousand names
Washed by the tide of time gone by
High on your mountain we can share the view
There for a short while
In the corner of an eye
Is a dream passing by
In my night sky
Fly away
Fly away Carry me, carry me
Carry me, carry me Would you believe me
Would you believe when I tell you
Would you believe me
Would you believe when I tell you
All the dreams you found are mine Carry me, carry me
Still is the new day as the dawn unfolds
Gone is the White Horse that carried us home
Lost to the morning all your deepest fears
Watched over safely
By the words of a prayer
And the love that we share
In our night sky
Fly away
Fly away Carry me, carry me
