

Future Lullaby

[Shintaro Sakamoto](#)

At one time
A frightening creature lived on this planet
And your papa and mama
Suffered sleepless nightsBut everything is fine now
It is gone
Let's go to sleep now
And rest up for tomorrowAt one time
There was a frightening system in this country
And your papa and mama
Fought hard and crushed that systemBut think back now
It is still alive
Wake up tomorrow
And try to think about that
