

Best New Face

Styx

Let's go. I don't know where I found you
I don't know where you been
All I know is you got me
In the shape I'm in You're the message in the bottle
You're the deluxe model
I haven't been so affected
Since I don't know when Yeah (yeah), Whoa yeah (whoa yeah)
You're the best new face
In the human race (I said) Yeah, Whoa yeah
You're the best new face
In the human race You look so real
When you ask me to feel
Yeah you're so damn convincing
Digging in your heels If your persuasion attack
Leaves me flat on my back
You can ride me off to ruin
While the whole world cracks (Said) Yeah (yeah), Whoa yeah (whoa yeah)
You're the best new face
In the human race (I said) Yeah, Whoa yeah
You're the best new face
In the human race Speak of the devil
And look who appears
He's cranking up the level
In between your ears
But he's so frustrated
Cause he can't get a rise
Out of someone who's reflecting
Heaven in their eyes I see heaven in your eyes. (You look so good) Yeah (yeah), Whoa yeah (whoa yeah)
You're the best new face
In the human race (I said) Yeah, Whoa yeah
You're the best new face
In the human race (Said) Yeah (yeah), Whoa yeah (yeah, whoa yeah)
You're the best new face
In the human race Yeah, Whoa yeah (Oh yeah)
You're the best new face
In the human race (Best new face).
