

# Heartless (American Idol Studio Version)

Kris Allen

In the night I hear him talk the coldest story ever told  
Somewhere far along this road he lost his soul  
To a woman so heartless  
How could you be so heartless?  
Oh, how could you be so heartless? How could you be so cold as the winter wind when it breeze, yo?  
Just remember that you talkin' to me though  
You need to watch the way you talkin' to me, you know I mean after all the things that we been through  
I mean after all the things we got into  
And yo, I know there are some things that you ain't told me  
And yo, I did some things, but that's the old me And now you wanna give me back and you gon' show me  
So you walk around like you don't know me  
You got a new friend, well, I got homies  
But in the end it's still so lonely In the night I hear him talk the coldest story ever told  
Somewhere far along this road he lost his soul  
To a woman so heartless  
How could you be so heartless?  
Oh, how could you be so heartless? How could you be so Dr. Evil?  
You're bringing out a side of me that I don't know  
I decided we weren't gon' speak so  
Why were you at 3 a.m. on the phone? Why does she be so mad at me for?  
Homey, I don't know she's hot and cold  
I won't stop, I won't mess my groove up  
'Cause I already know how this thing go You run and tell your friends that you're leavin' me  
They say that they don't see what you see in me  
You wait a couple months then you gon' see  
You'll never find nobody better than me Cause in the night I hear him talk the coldest story ever told  
Somewhere far along this road he lost his soul  
To a woman so heartless  
How could you be so heartless?  
Oh, how could you be so heartless?  
How could you be so heartless? I know you can't believe  
I could just leave it wrong  
And you can't make it right  
I'm gon' take off tonight into the night Cause in the night I hear him talk the coldest story ever told  
Somewhere far and far and far he lost his soul  
To a woman so heartless  
Oh, how could you be so heartless?  
Oh, yeah Cause in the night I hear him talk the coldest story ever told  
Somewhere far along this road he lost his soul

To a woman so heartless  
How could you be so heartless?  
Oh, how could you be so heartless?  
Oh, how could you be so heartless?  
How could you be so heartless?  
How could you be so, so heartless  
How could you be so heartless?
