Desert Call

Holly Miranda

I saw you in my dream last night
You were laughing but you didn't say why
I tried to speak, but words wouldn't come
Will you come back?
Will you ever know?
For this moment of your life is
Oh say can you see how we fall?
And are we ever gonna make it alone?
Are we ever gonna make it on our own?
Are we ever gonna make it back home?
And when your mood is high like the moon
You're gonna wish you were over me too
And will you come back?
Will we ever know?
For this moment of your life has
Oh say can you see how we fall?
And are we ever gonna make it alone?
Are we ever gonna make it on our own?
Are we ever gonna make it back home?
hallelujah
