

Contract

Gang of Four

The same again, another disagreement
You dreamed of scenes like you read of in magazines
A new romance invented in the bedroom
Is this so private our struggle in the bedroom Is this really the way it is or a contract in our mutual interest? The
same again, another disappointment
We couldn't perform in the way the other wanted
These social dreams put in practice in the bedroom
Is this so private, our struggle in the bedroom Is this really the way it is or a contract in our mutual interest? Our
bodies make us worry, our bodies make us worry
Our bodies make us worry, our bodies make us worry Is this really the way it is or a contract in our mutual
interest?
Is this really the way it is or a contract in our mutual interest?
