Lucky Guy

The Muffs

You and I are in danger
I don't stay in love that way
And the love of a stranger
Doesn't really make my dayAnd you know, you have
A thousand things in front of you
Doin' anything you like and takin' it easy
Is all you ever need to doYou've no ambition and only ever sit around
I don't know why, and you know it's true
And you never wanted anything, you're a lucky guy
You're a lucky guy, oh, oh, oh, you're luckyThere's a time and a reason
You could go a long, long way
And for you it's so easy
Yeah, and it's your lucky dayYou've no ambition and only ever sit around
I don't know why, and you know it's true
And you never wanted anything, you're a lucky guy
You're a lucky guy, oh, oh, oh, you're luckyYeah, yeah, yeah, yeah, yeah
And you know, you've no ambition
