

It Doesn't Matter Any More

Buddy Holly

There you go and baby here am I
Well you left me here so I could sit and cry
Well golly gee what have you done to me
Well I guess it doesn't matter any more

Do you remember baby last September
How you held me tight each and every night
Well whoops a daisy how you drove me crazy
Well I guess it doesn't matter any more

There's no use me a crying
I've done every thing and now I'm sick of trying
I've thrown away my nights and wasted all my days
Over you

Now you go your way and I'll go mine
Now and forever till the end of time
I'll find somebody new and baby
We'll say we're through
And you won't matter any more
